Summary

I am a Graphic Designer with a strong academic background in Visual Communication Design, highly experienced in brand identity, digital marketing, and e-commerce-focused visual creation. Throughout my career, I have actively developed visual languages and design systems that preserve brand integrity, while producing creative, campaign-specific assets. I design effective, aesthetic, and goal-oriented visuals for social media platforms, websites, e-commerce channels, and digital campaigns. I possess advanced proficiency in Adobe Creative Cloud and successfully integrate AI-driven image and video generation tools into my design workflows, aligning all creative outputs with brand aesthetics and business conversion goals.

Experience

Jan 2026–Present **Social Media Specialist**, *RE/MAX Dream*, Kocaeli

I manage digital marketing and content strategy integrated with real estate marketing and sales workflows.

- Develop and execute strategic social media planning to enhance brand visibility and ensure listings reach target demographics.
  - Manage content creation, performance analysis, and lead-generation campaigns primarily on Instagram.
  - Design portfolio-based visuals, curate Reels videos, and optimize digital ad spend for maximum ROI.
- Create internal communication projects (e.g., Advisor of the Week, monthly performance highlights) and provide digital presence coaching to agents.

Jan 2025–Jun 2025 **Social Media Consultant**, *Ertemel Investment*, Istanbul

Provided strategic guidance on corporate social media presence, designed key visual materials, and developed digital outreach frameworks for international real estate portfolios.

Jun 2024–Dec 2024 **Video Editor**, *TRT (Turkish Radio and Television Corporation)*, Istanbul

Performed professional video editing, montage, and post-production duties for television broadcasts and digital media assets under TRT 2, ensuring high-quality storytelling and technical alignment.

Jan 2024–Dec 2025 **Social Media Specialist**, *Cabir Otel*, Sakarya

Led social media production, planned local campaigns, directed hotel photography/videography, and grew digital interaction rates for hospitality and tourism services.

Jan 2023–Present **Graphic Designer**, *Hece Group*, Istanbul

Generate creative visual concepts, brand identity models, print materials, and promotional assets for publication houses and corporate communications under Hece Group.

Education
